

MANIFESTING THROUGH THE LAW OF ATTRACTION

Persistence and the
Master Mind Group

- Nothing in the world can take the place of persistence. Talent will not; nothing is more common than unsuccessful men with talent. Genius will not; unrewarded genius is almost a proverb. Education will not; the world is full of educated derelicts. Persistence and determination alone are omnipotent. The slogan Press On! has solved and always will solve the problems of the human race. – Calvin Coolidge

- Again, truly I tell you that if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven. For where two or three gather in my name, there am I with them. (Matthew 18- 19,20)

FOOD FOR THOUGHT

- Brian Tracy, a sales writer, and motivator said that there are two types of activities. Some activities are goal-achieving while others are tension-relieving. Being glued to the television, our mobile devices or other distractions is tension-relieving.

- Making phone calls, working on a goal related project is goal-achieving. Also when we watch TV, we are helping someone else achieve their dreams but we are not moving any closer to achieving ours. (GATC)

HOW TO:

Six Steps to Assure You Are Being Persistent in
Working with the Law of Attraction

ONE

- Fix in your mind the **exact amount of money you desire.** It is not sufficient merely to say, “I want plenty of money.” Be definite as to the amount.

TWO

- Determine exactly what you intend to give in return for the money you desire. (There is no such reality as “something for nothing.”)

THREE

- Establish a definite date when you intend to possess the money you desire.

FOUR

Create a definite plan for carrying out your desire, and begin at once, whether you are ready or not, to put this plan into action.

FIVE

- Write out a clear, concise statement of the amount of money you intend to acquire, name the time limit for its acquisition, state what you intend to give in return for the money, and describe clearly the plan through which you intend to accumulate it.

SIX

- Read your written statement aloud, twice daily, once just before retiring at night and once after arising in the morning. AS YOU READ, SEE AND FEEL AND BELIEVE YOURSELF ALREADY IN POSSESSION OF THE MONEY.

SIX

These steps are from the book, Think and Grow Rich,
1937 Edition, by Napoleon Hill

Note:

Even though these steps are geared toward the
acquisition of money, they can be adapted and use to
manifest **ANYTHING** that you want to have in your life
